CHAIRMAN'S LETTER

NOTICE OF ANNUAL GENERAL MEETING

Dear fellow shareholders

It is with pleasure that I invite you to join our directors and management team at our 2017 Annual General Meeting which is to be held at 11am on Thursday 9 November at the Celtic Club, 48 Ord Street, West Perth, Western Australia.

Over the last 12 months your Company has made great progress towards successfully developing our Epanko Graphite Project into a new mining operation and we look forward to delivering upon that goal and rewarding the commitment and support you have provided to enable us to reach our present position.

Our updated bankable feasibility study is complete and bank appointed Independent Engineers SRK (UK) Consulting have confirmed that it satisfies international project financing standards, including the Equator Principles' requirements for global best practice in social and environmental risk management.

The bankable feasibility study demonstrates a highly attractive and robust business case for the development of the Epanko Graphite Project and your Company has been progressing discussions with its banking partners and potential strategic investors in order to finalise a funding package to support development and construction.

Although this process has been impacted by the uncertainty created after the recent passing of new mining laws in Tanzania, your Company has embarked upon a bi-lateral process of engagement with the Tanzanian Government in order to reach agreement on conditions that will enable the project to be developed as planned. At the same time, we have implemented a range of operating changes to conserve shareholder funds and provide sufficient cash reserves to accommodate the delay that these new mining laws have created.

We remain confident that our dialogue with the Tanzanian Government will ultimately achieve a successful outcome for all stakeholders, but we must, as always, be prudent in our cash management during this period.

Accordingly and regrettably staff cuts have been made both in Australia and Tanzania together with elimination of all non essential spending and a tightening and or deferment of all expenditure.

As a result, the Kibaran team have agreed to defer a significant amount of fees and salaries and to forgo any salary increases or bonuses which otherwise might have been expected in recognition of the very material accomplishments achieved during the year and the hard work underlying them until this period of legislative uncertainty passes.

Of course we need to ensure that we appropriately acknowledge the additional effort and commitment required across our Company at this time and also to provide for the retention of our key personnel, who's skills in graphite markets, project development and financing are critical to successfully realising the value of

our project. To achieve this, we are seeking your support and approval to grant deferred equity compensation to each of the directors, at the prevailing market price at the time of issue, under our existing director and employee share schemes, summaries of which are enclosed for your consideration.

We believe this prudent approach not only preserves our important cash reserves, it also promotes a strong alignment with the interests of our shareholders for the generation of long term value.

In addition, during the meeting you will be requested to approve the re-election of my fellow director, Mr Grant Pierce, who has provided invaluable guidance to our business through his unique Tanzanian experience and deep commitment to our social programs in that country.

We are also proposing to adopt a new Constitution, which although largely similar in substance to our existing document, now reflects a range of legislative changes that have been implemented in Australia in recent years. A copy of the proposed Constitution is available on our website for your review.

Thank you once again for your on-going support and we look forward to seeing you at the meeting on 9 November.

Yours sincerely
Kibaran Resources Limited

A Shareholder entitled to attend and vote at the Meeting is entitled to appoint not more than two other persons (whether members of the Company or not) as proxy or proxies to attend in the Shareholder's place at the Meeting.

A Proxy Form is attached to the Notice. This is to be used by Shareholders if they wish to appoint a representative (a 'proxy') to vote in their place. All Shareholders are invited and encouraged to attend the Meeting or, if they are unable to attend in person, sign and return the Proxy Form to the Company in accordance with the instructions provided. 3. **Financial report and reports of the Directors and auditors**

The Company's financial report for the year ended 30 June 2017 is set out in the Company's Annual Report. In accordance with the Corporations Act, Shareholders will be given a reasonable opportunity at the Annual General Meeting to ask questions and make comments on the financial report and on the business and management of the Company.

The Company does not provide a hard copy of the Annual Report to Shareholders unless specifically requested to do so, however the Annual Report is available on the Company's website at www.kibaranresources.com.

During the discussion of this item, the Company's auditor will be present and will answer qualifying questions.

Written questions for the auditor

If you would like to submit a written question to the Company's auditor, please post your question to the Company Secretary or email to info@kibaranresources.com. Written questions must relate to the content of the auditor's report to be considered at the Annual General Meeting or the conduct of the audit. A list of qualifying questions will be made available at the Annual General Meeting.

Please note that all questions must be received at least five Business Days before the Annual General Meeting, that is by no later than 11:00am (WST) on 2 November 2017.

4. **Resolution 1 – Adoption of Remuneration Report**

The Corporations Act requires that at a listed company's Annual General Meeting, a resolution that the Remuneration Report be adopted must be put to the Shareholders. However, such a resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and key management personnel of the Company. The Remuneration Report is part of the Directors' report contained in the Annual Report of the Company for the year ended 30 June 2017 which is available on the Company's website at www.kibaranresources.com.

An opportunity will be provided for questions and discussion about the Remuneration Report at the Annual General Meeting.

Under changes to the Corporations Act which came into effect on 1 July 2011, the Company is required to put to Shareholders a resolution proposing the calling of another meeting of Shareholders to consider the appointment of Directors (**Spill Resolution**) if, at consecutive Annual General Meetings, at least 25% of the votes cast on a Remuneration Report resolution are voted against adoption of the Remuneration Report and at the first of those Annual General Meetings a Spill Resolution was not put to a vote. If required, the Spill Resolution must be put to a vote at the second of those Annual General Meetings.

If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene an extraordinary general meeting (**Spill Meeting**) within 90 days of the second Annual General Meeting.

All of the Directors who were in office when the Directors' report (as included in the Company's Annual Report for the most recent financial year) was approved, other than the Managing Director of the Company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as Directors is approved will be the Directors of the Company.

At the Company's 2016 Annual General Meeting the votes cast against the Remuneration Report considered at that Annual General Meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

Shareholders appointing a proxy for this Resolution should note the following:

Proxy	Directions given	No directions given
Key Management Personnel ¹	Vote as directed	Unable to vote ³
Chair ²	Vote as directed	Able to vote at discretion of Proxy ⁴
Other	Vote as directed	Able to vote at discretion of Proxy

Notes:

- ¹ Refers to Key Management Personnel (other than the Chair) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member.
- ² Refers to the Chair (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report), or a Closely Related Party of such a member).
- ³ Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.
- ⁴ The Proxy Form notes it is the Chair's intention to vote all undirected proxies in favour of all Resolutions.

5. Resolution 2 – Re-election of Grant Pierce

Clause 6.1 of the Constitution and Listing Rule 14.5 sets out the requirements for determining which Directors are to retire at an Annual General Meeting.

Mr Pierce retires at this Annual General Meeting and seeks re-election.

Mr Pierce has been a Director of Kibaran for over 3 years, having been appointed to the Board as an Executive Director on 21 August 2014.

Brief Curriculum Vitae of Director Grant Pierce

Grant Pierce is a mining engineer with over 25 years of experience in both open-pit and underground mining operations and in a range of commodities including gold, copper, copper/cobalt, nickel, iron ore and rare earth elements. He has extensive management experience, having held numerous senior operational management roles with both mining and exploration companies operating in Africa.

Grant was a member of the development team that built Tanzania's first modern gold mine, Resolute's Golden Pride Mine and was Operations Manager of the mine for its first 6 years of production. Other senior roles include Executive General Manager (Tanzania) for Barrick Gold Corporation during which time the Tulawaka Gold Mine came online and General Manager (Operations) for Perseus Mining Limited, from the environmental permitting phase through construction, to the Edikan Mine's first gold pour.

Grant was awarded the Order of Australia Medal in 2003 for his personal contribution to social development in rural Tanzania. In 2006 he was also awarded Tanzania's Zeze Award, the highest accolade for outstanding contribution to Tanzania's cultural development and is also a founding Director of the not of profit organisation Bridge2Aid Australia.

Independence

Due to his executive role, the Board does not consider Mr Pierce is an independent Director.

Directors' recommendation in relation to Resolution 2

The Directors (other than Mr Pierce) recommend that you vote in favour of Resolution 2.

6. Resolution 3 – Ratification of the issue of securities

On 7 March 2017, the Company issued:

- (a) 300,000 Shares to Avenue Consulting Pty Ltd in lieu of fees for corporate advisory services;
- (b) 1,050,000 Options to various employees and contractors in consideration of labour services provided to the Company; and
- (c) 1,000,000 Options to Fivemark Capital Pty Ltd in consideration of consulting services provided to the Company,

(together the **Ratification Securities**), without Shareholder approval under Listing Rule 7.1,

Resolution 3 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Ratification Securities.

Purpose of Resolution 3 and Listing Rule 7.1

Listing Rule 7.1 prohibits a listed entity from issuing or agreeing to issue equity securities equating to more than 15% of its issued capital in a 12 month period without Shareholder approval (15% Limit), unless an exception applies.

Listing Rule 7.4 sets out an exception to ASX Listing Rule 7.1. It provides that where a company in general meeting ratifies the previous issue of securities made pursuant to ASX Listing Rule 7.1 (and provided that the previous issue did not breach ASX Listing Rule 7.1) those securities will be deemed to have been made with Shareholder approval for the purpose of ASX Listing Rule 7.1.

Shareholder ratification for the issue of the Ratification Securities is now sought pursuant to Listing Rule 7.4, to reinstate the Company's capacity to issue up to 15%

of its issued capital, if required, in the next 12 months without Shareholder approval under Listing Rule 7.1.

Notice requirements under Listing Rule 7.5

It is a requirement of Listing Rule 7.5, that a listed entity seeking subsequent Shareholder approval under Listing Rule 7.4 provide with the following information to Shareholders:

In relation to Resolution 3:

- (a) the total number of securities issued was:
 - (i) 300,000 Shares;

 - (iii) 1,000,000 Options exercisable at \$0.30 each on or before 31 December 2018;
- (b) the Ratification Securities were issued for nil cash consideration, in lieu of cash payments for the services detailed above;
- (c) the Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (d) the Options were issued on the terms and conditions set out in (a)(ii) and (a)(iii) above, and otherwise on the terms set out in Schedule 1;
- (e) the Ratification Securities were issued to the parties listed above, none of whom are related parties of the Company; and
- (f) no funds were raised from the issue of the Ratification Securities as they were issued in consideration of services provided to the Company.

Directors' recommendation in relation to Resolution 3

The Directors recommend that Shareholders vote in favour of Resolution 3.

7.3 Financial assistance – Part 2J.3 of the Corporations Act

The provision of a loan to a participant under an employee share scheme to fund the acquisition of shares issued under that scheme will constitute "financial assistance" for the purposes of Part 2J.3 of the Corporations Act.

Section 260A of the Corporations Act states that a company may financially assist a person to acquire shares in the company only if:

- (a) giving the assistance does not materially prejudice the interests of the company or its shareholders or the company's ability to pay its creditors;
- (b) the assistance is approved by the shareholders under section 260B; or
- (c) the assistance is exempt under section 260C.

Section 260C(4) provides that financial assistance is exempt from section 260A if it is given under an "employee share scheme" that has been approved by a resolution passed at a general meeting of the company.

The Employee Share Plan falls within the definition of an "employee share scheme" for the purposes of the Corporations Act. Shareholder approval for the Employee Share Plan was previously obtained on 9 September 2014. Accordingly, financial assistance given under the Employee Share Plan is exempt from the Corporations Act limitations on the giving of financial assistance.

In respect of financial assistance given under the other Share Plans, the Corporations Act exemption under section 260C(4) does not apply as those Share Plans do not fit within the definition of "employee share schemes" under the Corporations Act (as the persons eligible under those Share Plans are not executive Directors or employees). As a result, the giving of financial assistance must not materially prejudice the interests of the Company or its Shareholders or the Company's ability to pay its creditors otherwise Shareholder approval is required.

The Board (excluding Robert Pett with regards to Resolution 4, John Conidi with regards to Resolution 5 and Christoph Frey with regards to Resolution 6) has resolved to provide financial assistance to each Director pursuant to the relevant Share Plan and the issue of Shares contemplated by Resolutions 4 to 6, such financial assistance to take the form of a limited recourse loan to enable each relevant Director to acquire their Director Plan Shares under the relevant Share Plan. The Board resolved that the giving of this assistance does not materially prejudice the interests of the Company or its Shareholders, or the Company's ability to pay its creditors for the following reasons:

- (a) giving the assistance is in the best interests of the Company, and is of benefit to those Shareholders not receiving the financial assistance, because it increases the alignment of the interests of Directors and Shareholders and rewards Directors for the creation of Shareholder wealth, and, therefore creates incentives for each Director to strive to ensure that the Company performs for the benefit of all its Shareholders;
- (b) the terms and conditions do not materially prejudice the interests of the Company and its Shareholders because the costs of providing the financial assistance are considered to be relatively small and are outweighed by the benefit of alignment of interest that is achieved under the Share Plans;
- (c) the restriction conditions of the Director Plan Shares are intended to encourage each Director to remain a Director of the Company and to achieve beneficial outcomes for Shareholders; and
- (d) in the opinion of the Directors, the provision of financial assistance of this kind is consistent with market practice for similar schemes in Australia.

7.4 Security over Director Plan Shares – section 259B(2) of the Corporations Act

To the extent the Company loans funds to a participant of the Employee Share Plan to pay the issue price of the Shares, the Shares will comprise security for repayment of the loan.

Under the terms of the Employee Share Plan, the Company will have a lien over any such Shares in respect of which a loan amount is outstanding and will be entitled to sell those Shares in accordance with the terms of the Employee Share Plan, in order to recover any amounts owed under a loan.

Section 259B(1) of the Corporations Act prohibits a company from taking security over its own shares, except as permitted by section 259B(2) or (3). Section 259B(2) states that a company may take security over shares in itself under an employee share scheme that has been approved by a resolution passed at a general meeting of a company. The Company notes Shareholder approval was obtained for its Employee Share Plan on 9 September 2014.

In respect of Shares issued under the other Share Plans, the Corporations Act exceptions above do not apply as those Share Plans do not fit within the definition of “employee share schemes” under the Corporations Act (as the persons eligible under those Share Plans are not executive Directors or employees). As a result, the Company will not hold security over Shares issued under those other Share Plans. Instead, the participants under those Share Plans will be contractually obliged to sell their Shares and remit the proceeds to the Company in the event that the relevant loan granted under the Share Plan is not repaid.

7.5 Chapter 2E Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The grant of Director Plan Shares constitutes giving a financial benefit and each Director is a related party of the Company by virtue of being a Director. Shareholder approval is not required under Chapter 2E of the Corporations Act for the financial benefit covered by Resolutions 4 to 8 as the Board (other than Robert Pett with regards to Resolution 4, John Conidi with regards to Resolution 5, Christoph Frey with regards to Resolution 6, Andrew Spinks with regards to Resolution 7 and Grant Pierce with regards to Resolution 8 who have a material personal interest in those Resolutions) resolved that the financial benefit to be provided to the Director (or his nominee) under the relevant Plan comes within the reasonable remuneration exemption to Chapter 2E of the Corporations Act.

7.6 Directors' recommendation in relation to Resolutions 4 to 8

The Directors, other than Robert Pett with regards to Resolution 4, John Conidi with regards to Resolution 5, Christoph Frey with regards to Resolution 6, Andrew Spinks with regards to Resolution 7 and Grant Pierce with regards to Resolution 8, recommend that shareholders vote in favour of Resolutions 4 to 8.

8. Resolution 9 – Approval of 10% Placement Facility under Listing Rule 7.1A

8.1 General

ASX Listing Rule 7.1A provides that an Eligible Entity (as defined below) may seek shareholder approval by special resolution passed at an annual general meeting to have the capacity to issue up to that number of Equity Securities (as defined below) equal to 10% of its issued capital (10% Placement Capacity) without using that company's existing 15% annual placement capacity granted under ASX Listing Rule 7.1.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300,000,000.

As at the date of this Notice, the Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$45,177,443 (based on the number of Shares on issue and the closing price of Shares on the ASX on 2 October 2017).

An Equity Security is a share, a unit in a trust, a right to a share or unit in a trust or option, an option over an issued or unissued security, a convertible security, or, any security that ASX decides to classify as an equity security.

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing class of quoted Equity Securities.

As at the date of this Notice, the Company currently has one class of quoted Equity Securities on issue, being the Shares (ASX Code: KNL) and one class of unlisted Options with various exercise prices and expiry dates.

If Shareholders approve Resolution 9, the number of Equity Securities the Company may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2.

Resolution 9 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 9 for it to be passed.

8.2 Technical information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 9:

- (a) **Minimum Price**

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 ASX trading days of the date in section 8.2(a)(i), the date on which the Equity Securities are issued.

(b) **Date of Issue**

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of this Meeting; and
- (ii) the date of approval by Shareholders of any transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking) (after which date, an approval under Listing Rule 7.1A ceases to be valid),

(10% Placement Capacity Period).

(c) **Risk of voting dilution**

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 9 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the assumptions set out below the table.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A2)	Dilution			
	Issue Price (per Share)	\$0.0925 50% decrease in Issue Price	\$0.1850 Issue Price	\$0.2775 50% increase in Issue Price
253,202,394 (Current Variable A)	Shares issued - 10% voting dilution	25,320,239 Shares	25,320,239 Shares	25,320,239 Shares
	Funds raised	\$2,342,122	\$4,684,244	\$7,026,366
379,803,591 (50% increase in Variable A)	Shares issued - 10% voting dilution	37,980,359 Shares	37,980,359 Shares	37,980,359 Shares
	Funds raised	\$3,513,183	\$7,026,366	\$10,539,550
506,404,788 (100% increase in Variable A)	Shares issued - 10% voting dilution	50,640,479 Shares	50,640,479 Shares	50,640,479 Shares
	Funds raised	\$4,684,244	\$9,368,489	\$14,052,733

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

- There are currently 253,202,394 Shares on issue comprising:
 - 244,202,394 existing Shares as at the date of this Notice of Meeting; and
 - 9,000,000 Shares which will be issued if Resolutions 4 to 8 are passed at this Annual General Meeting;
- The issue price set out above is the closing price of the Shares on the ASX on 2 October 2017.
- The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
- The Company has not issued any Equity Securities in the 12 months prior to the Annual General Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
- The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
- The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Annual General Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(d) **Purpose of Issue under 10% Placement Capacity**

The Company may issue Equity Securities under the 10% Placement Capacity for the following purposes:

- (i) as cash consideration, in which case the Company intends to apply funds raised towards the continued exploration, evaluation and development of the Company's mineral assets and related corporate purposes; or
- (ii) as non-cash consideration for the acquisition of assets such as mineral exploration tenements, or a business or company holding mineral exploration tenements. In such circumstances the Company will provide a valuation of the non-cash consideration as required by listing Rule 7.1A.3.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

(e) **Allocation policy under the 10% Placement Capacity**

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate advisers (if applicable).

Further, if the Company is successful in acquiring new resources, assets or investments, it is likely that the recipients under the 10% Placement Capacity will be vendors of the new resources, assets or investments.

(f) **Previous approval under ASX Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its Annual General Meeting held on 24 November 2016 (**Previous Approval**).

The Company has not issued any Equity Securities pursuant to the Previous Approval.

During the 12 month period preceding the date of the Annual General Meeting, being on and from 9 November 2016, the Company otherwise issued a total of 1,800,000 Shares and 2,050,000 Options which represents approximately 1.51% of the total diluted number of Equity Securities on issue in the Company on 9 November 2016, which was 254,502,394.

Further details of the issues of Equity Securities by the Company during the 12 month period preceding the date of the Annual General Meeting are set out in Schedule 3.

(g) **Compliance with Listing Rules 7.1A.4 and 3.10.5A**

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it must give to ASX:

- (i) a list of the recipients of the Equity Securities and the number of Equity Securities issued to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
- (ii) the information required by Listing Rule 3.10.5A for release to the market.

(h) **Voting Exclusion**

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 9.

8.3 Directors' recommendation in relation to Resolution 9

The Directors recommend that Shareholders vote in favour of Resolution 9.

9. Resolution 10 – Replacement of Constitution

9.1 General

A company may modify or repeal its constitution or a provision of its constitution by special resolution of Shareholders.

Resolution 10 is a special resolution which will enable the Company to repeal its existing Constitution and adopt a new constitution (**Proposed Constitution**) which is of the type required for a listed public company limited by shares updated to ensure it reflects the current provisions of the Corporations Act and Listing Rules.

This will incorporate amendments to the Corporations Act and Listing Rules since the current Constitution was adopted in 2010.

The Directors believe that it is preferable in the circumstances to replace the existing Constitution with the Proposed Constitution rather than to amend a multitude of specific provisions.

The Proposed Constitution is broadly consistent with the provisions of the existing Constitution. Many of the proposed changes are administrative or minor in nature including but not limited to:

- updating the name of the Company to that adopted in February 2011;
- updating references to bodies or legislation which have been renamed (e.g. references to the Australian Settlement and Transfer Corporation Pty Ltd, ASTC Settlement Rules and ASTC Transfer); and
- expressly providing for statutory rights by mirroring these rights in provisions of the Proposed Constitution.

The Directors believe these amendments are not material nor will they have any significant impact on Shareholders. It is not practicable to list all of the changes to the Constitution in detail in this Explanatory Statement, however, a summary of the proposed material changes is set out below. A copy of the Proposed Constitution is available for review by Shareholders at the Company's website <http://www.kibaranresources.com/> and at the office of the Company. A copy of the Proposed Constitution can also be sent to Shareholders upon request to the Company Secretary (+61 8 6424 9000). Shareholders are invited to contact the Company if they have any queries or concerns.

9.2 Summary of material proposed changes

Dividends (clause 22)

Section 254T of the Corporations Act was amended effective 28 June 2010.

There is now a three-tiered test that a company will need to satisfy before paying a dividend replacing the previous test that dividends may only be paid out of profits.

The amended requirements provide that a company must not pay a dividend unless:

- (a) the company's assets exceed its liabilities immediately before the dividend is declared and the excess is sufficient for the payment of the dividend;
- (b) the payment of the dividend is fair and reasonable to the company's shareholders as a whole; and
- (c) the payment of the dividend does not materially prejudice the company's ability to pay its creditors.

The existing Constitution reflects the former profits test and restricts the dividends to be paid only out of the profits of the Company. The Proposed Constitution is updated to reflect the new requirements of the Corporations Act. The Directors consider it appropriate to update the Constitution for this amendment to allow

more flexibility in the payment of dividends in the future should the Company be in a position to pay dividends.

Casting votes (clauses 13.12 and 16.6)

Under the Constitution the Chair does not have a casting vote at Director meetings in addition to any vote as a Director (clause 65.2) and there is no clause allowing for the Chair to have a casting vote at Shareholder meetings.

Under the Proposed Constitution, at Director meetings clause 16.6 allows for the Chair of the meeting to have a second or casting vote and at Shareholder meetings clause 13.12 states that in the case of an equality of votes, the Chair of the meeting shall have a second or casting vote.

Fee for registration of off market transfers (clause 8.4(c))

On 24 January 2011, ASX amended ASX Listing Rule 8.14 with the effect that the Company may now charge a "reasonable fee" for registering paper-based transfers, sometimes referred to "off-market transfers".

Clause 8.4 of the Proposed Constitution enables the Company to charge a reasonable fee when it is required to register off-market transfers by Shareholders. The fee is intended to represent the cost incurred by the Company in upgrading its fraud detection practices specific to off-market transfers.

Before charging any fee, the Company is required to notify ASX of the fee to be charged and provide sufficient information to enable ASX to assess the reasonableness of the proposed amount.

Partial (proportional) takeover provisions (clause 36)

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to section 648G of the Corporations Act, the Company has included in the Proposed Constitution a provision whereby a proportional takeover bid for Shares may only proceed after the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the Corporations Act.

This clause of the Proposed Constitution will cease to have effect on the third anniversary of the date of the adoption of last renewal of the clause.

Information required by section 648G of the Corporations Act

Effect of proposed proportional takeover provisions

Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a resolution to approve the proportional off-market bid is passed.

Reasons for proportional takeover provisions

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of

being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.

Knowledge of any acquisition proposals

As at the date of this Notice of Meeting, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

Potential advantages and disadvantages of proportional takeover provisions

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover provisions for Shareholders include:

- (a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (b) assisting in preventing Shareholders from being locked in as a minority;
 - (i) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and
 - (ii) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the proportional takeover provisions for Shareholders include:

- (a) proportional takeover bids may be discouraged;
- (b) lost opportunity to sell a portion of their Shares at a premium; and
 - (i) the likelihood of a proportional takeover bid succeeding may be reduced.

9.3 Directors' recommendation in relation to Resolution 10

The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Proposed Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of Resolution 10.

Shares cannot be sold, transferred or encumbered at the discretion of the Participant until any loan in relation to the Shares has been repaid or otherwise discharged under the Plan.

(f) **Loan**

A Participant who is invited to subscribe for Shares may also be invited to apply for a loan up to the amount payable in respect of the Shares accepted by the Participant (**Loan**), on the following terms:

- (i) the Loan will be interest free, provided that interest at the rate equal to the benchmark interest rate for the relevant Fringe Benefits Tax year per annum will be payable in the event that a Participant is in default under the terms of the Plan (**Default Interest**);
- (ii) the Loan made available to a Participant shall be applied by the Company directly toward payment of the issue price of the Shares;
- (iii) the Loan repayment date and the manner for making such payments shall be determined by the Board and set out in the Offer;
- (iv) a Participant must repay the Loan in full by the loan repayment date but may elect to repay the Loan amount in respect of any or all of the Shares at any time prior to the loan repayment date;
- (v) a Loan will be non-recourse except against the Shares held by the Participant to which the Loan relates; and
- (vi) the Board may, in its absolute discretion, agree to forgive a Loan made to a Participant.

(g) **Unfulfilled restriction condition**

Where a restriction condition in relation to Shares is not satisfied by the due date, or becomes incapable of satisfaction in the opinion of the Board, the Participant must, unless the restriction condition is waived by the Board and subject to the Corporations Act and the Listing Rules, arrange to sell the Shares as soon as reasonably practicable either on the ASX or to an investor who falls within an exemption under section 708 of the Corporations Act provided that the sale must be at a price that is no less than 80% of the VWAP at which Shares were traded on the ASX on the 10 trading days before the sale date and apply the sale proceeds (**Sale Proceeds**) in the following priority:

- (i) first, to pay the Company any outstanding Loan amount and accrued Default Interest (if any) in relation to the Shares;
- (ii) second, to the extent the Sale Proceeds are sufficient, to repay the Participant any cash consideration paid by the Participant or Loan amount repayments (including any cash dividends applied to the Loan amount) made by or on behalf of the Participant; and
- (iii) lastly, any remainder to the Company to cover its costs of managing the Plan.

(h) **Sale of shares to repay loan**

- (i) A Loan (plus any accrued Default Interest) shall become repayable in full where:
- (a) the Participant (or, where the Participant is an associate of an Eligible Participant, the Eligible Participant) ceases to be an Eligible Participant for any reason (including death);
 - (b) the Participant suffers an event of insolvency;
 - (c) the Participant breaches any condition of the Loan or the Plan; or
 - (d) a Restriction Condition in relation to Shares subject to the Loan is not satisfied by the due date, or becomes incapable of satisfaction in the opinion of the Board (and is not waived).
- (ii) Where a Loan becomes repayable and at that time a Restriction Condition in relation to Shares subject to the Loan is not satisfied, or is incapable of being satisfied in the opinion of the Board (and is not waived), the Participant must sell the Shares and the Sale Proceeds must be applied to repay the Loan and any accrued Default Interest in accordance with the Plan.
- (iii) Where a Loan and any accrued Default Interest in relation to Shares becomes repayable and at that time Restriction Conditions in relation to the Shares have either been satisfied or are waived, the Company must give the Participant a 21 day period to repay the Loan and any accrued Default Interest, failing which the Participant must sell the Shares and apply the Sale Proceeds in accordance with the Plan.

(i) **Power of attorney**

To the maximum extent permitted by applicable laws, the Participant irrevocably appoints each of the Company and each Director of the Company severally as his or her attorney to do all things necessary to give effect to the sale of the Participant's Shares in accordance with the Plan.

(j) **Restriction on transfer**

Except as otherwise provided in the Plan, Participants may not sell or otherwise deal with a Share until the Loan amount in respect of that Share has been repaid and any restriction conditions in relation to the Shares have been satisfied or waived. The Company is authorised to impose a holding lock on the Shares to implement this restriction.

(k) **Quotation on ASX**

The Company will apply for each Share to be admitted to trading on ASX upon issue of the Share. Quotation will be subject to the Listing Rules.

(l) **Rights attaching to Shares**

Each Share shall be issued on the same terms and conditions as the Company's issued Shares (other than in respect of transfer restrictions imposed by the Plan) and it will rank equally with all other issued Shares from the issue date except for entitlements which have a record date before the issue date.

Notes:

1. Market Price means the closing price on ASX (excluding special crossings, overnight sales and exchange traded option exercises). For the purposes of this table the discount is calculated on the Market Price on the last trading day on which a sale was recorded prior to the date of issue of the relevant Equity Securities.
2. Fully paid ordinary shares in the capital of the Company, ASX Code: KNL (terms are set out in the Constitution).
3. Unquoted Options, the full terms and conditions of which are contained in Schedule 1 to this Notice.
4. In respect of quoted Equity Securities the value is based on the closing price of Shares on 2 October 2017 (\$0.185). In respect of unquoted Equity Securities the value of Options is measured using the Black & Scholes option pricing model. Measurement inputs include the Share price on the measurement date, the exercise price, the term of the Option, the impact of dilution, the expected volatility of the underlying Share (based on weighted average historic volatility adjusted for changes expected due to publicly available information), the expected dividend yield and the risk free interest rate for the term of the Option. No account is taken of any performance conditions included in the terms of the Option other than market based performance conditions (i.e. conditions linked to the price of Shares).
