

ANNOUNCEMENT TO THE AUSTRALIAN SECURITIES EXCHANGE: 9 June 2011

KIBARAN NICKEL ADVISES INVESTORS OF NEW WEBSITE

The Board of Kibaran Nickel Limited ("Kibaran" or "the Company") (ASX: KNL) is pleased to announce the launch of a new company website, to strengthen communication with stakeholders and investors.

The website profiles a new and dynamic image for the company, and provides in-depth information about the company's vision, mission, corporate strategy and project milestones.

"It is important to establish a clear platform to outline our company's vision and advances. This new website will allow us to better communicate to our stakeholders and is a step forward in raising our profile within the industry sector," said Kibaran Nickel Director David Gower.

The new website allows current and potential investors to stay informed with regular company email alerts, a detailed project photo gallery and up-to-date share price listing.

The website can be found at <http://www.kibarannickel.com.au>

ABOUT KIBARAN NICKEL LIMITED

Kibaran Nickel is an ASX listed exploration company that trades under the symbol KNL. The Company is focused on exploring the highly prospective Kagera Nickel project in Tanzania adjacent to the Kabanga Nickel Projects which are among the largest undeveloped, high grade nickel sulphide deposits in the world.
